Gainesville, Florida 32606-7492

Attention: Darryl Wright, President and CEO

Re: Main Street Softworks, Monetra 7.1

Dear Mr. Wright,

This letter is to inform Main Street Softworks (“Vendor”) that its payment application, Monetra 7.1 (the “Application”), has received a grade of **PASS** from the PCI Security Standards Council (the “Council”) Quality Assurance Team. Your PA-QSA has been notified of this grade as well. This letter does not represent an endorsement of the Application, but rather validation that the minimum documentary requirements have now been met.

Having achieved a passing grade, the Council will list the Application on its Validated Payment Application List upon receipt and confirmation of (i) Vendor’s executed original of the enclosed PA-DSS Vendor Release Agreement and (ii) Vendor’s completed version of the enclosed Payment Application Summary form. Please complete the name of the Application in the Payment Application Summary form exactly as you would like the Application to be identified on the Validated Payment Application List.

Your invoice in the amount of \$1,250.00 for the annual Application listing fee should arrive at the end of April.

Please feel free to contact me with any questions you may have about this process.

Sincerely,

Nina Beardsley  
PA-DSS Program Manager
